

**N**EEL Trimarans, of La Rochelle, France, designs and builds trimarans, offering a new and unique concept for multihull cruising. Combining the best of the monohull world with the best of the catamaran world, NEEL Tri's have the fine helming, stable motion and upwind ability of a mono with the heeling angle, generous accommodations and single deck layout of the Cats.

With over 30 years of experience in design and construction of multihulls, the NEEL team sources the best equipment and suppliers, ensuring the highest quality of construction and durability.

Current NEEL TRIMARANS models include the NEEL 45, NEEL 47, NEEL 51 and NEEL 65.

## NEEL 65

**T**he NEEL 65 is the sea-going equivalent of a luxury seaside home. "Sport Chic" in every way, the layout is highly functional with up to 6 separate cabins, each with en suite. A high-flying bridge deck provides a sailing experience like no other.

**LOA:** 65ft • **Beam:** 39ft 5in • **Draft:** 5ft 9in • **Displacement:** 49,600 lbs  
**Sail Area:** 2,227 ft<sup>2</sup> • **Fuel/Water:** 263/263 gal • **Architects:** Joubert-Nivelt

## NEEL 47

**T**he latest of the ingenious NEEL Trimaran models offers excellent sailing abilities, clever exterior and interior design and all around great cruising comfort. This model has attracted much attention in Europe and the first example of the NEEL 47 will be on display at the Annapolis boat show in the fall of 2019.

**LOA:** 47' • **Beam:** 27' • **Draft std/opt:** 5'2" • **Displacement:** 21,200 lbs  
**Fuel/Water:** 80/159 gal • **Design:** Marc Lombard/Yacht Design Group

## NEEL 51

**T**he NEEL 51 is the latest model from NEEL TRIMARANS. Her masterful layout includes 4 en suite cabins plus available single berths in the bows and an optional crew quarter aft, all away from the guest staterooms. The innovative "Cockaloon" (tm) makes up a unique indoor/outdoor living area between the cockpit and saloon.

**LOA:** 51 ft • **Width:** 29.18 ft • **Draft:** 4.9 ft • **Displacement:** 14 T  
**Sail area:** 1,800 Sq ft • **Fuel/Water:** 160/160 gal  
**Architect:** Joubert-Nivelt-Muratet

## NEEL 45

**T**he NEEL 45 stands out as the Trimaran that bridged the gap between monohulls and catamarans with a single deck layout between the outer hulls. This allows for the living space of a cat to be enjoyed with the performance of a Tri. Sporting sleek, inverted bow stems, the NEEL 45 places emphasis on interior and exterior design. It is ideal world cruiser for a couple or family.

**LOA:** 44ft • **Beam:** 28ft • **Draft:** 4ft • **Displacement:** 6.5 T  
**Sail Area:** 1,100 ft<sup>2</sup> • **Fuel/Water:** 80/140 gal • **Architects:** Joubert-Nivelt
